The Board hereby recognizes the Association as the sole and exclusive representative for the purpose of bargaining pursuant to 26 M.R.S.A. §962 for all elementary teachers, middle level teachers, secondary teachers, alternative education teachers, art teachers, ESL teachers, gifted & talented teachers, guidance counselors, IEP coordinators, industrial technology teachers, instructional coaches, library/media specialists, literacy teachers, music teachers, occupational therapists, physical education teachers, physical therapists, special education teachers, school nurses, in-district school psychologists, social workers, speech and language therapists, substance abuse counselors, and technology coaches when these employees have more than six months' service with the district. Excluded from the bargaining unit are all other employees of MSAD 6, including all temporary, seasonal, and on-call employees. As used in this agreement, the terms teacher and teachers refer to any or all of the members of the foregoing bargaining unit.

## **ARTICLE II - ADMINISTRATION OF THE AGREEMENT**

- (A) All meetings between the parties shall be regularly scheduled to take place when the teachers involved are free from assigned instructional responsibilities, unless otherwise mutually agreed.
- (B) During the term of this agreement, except as to the negotiation of a successor agreement pursuant to 26 M.R.S.A. §965, the parties shall not request the right to renegotiate any of the provisions of this agreement nor be entitled to negotiate on any other item, except by mutual agreement. Nothing in this paragraph shall be construed as prohibiting the parties from meeting and consulting in accordance with 26 M.R.S.A. §965(1)(C), nor from mutually agreeing to negotiate on any item.
- (C) Should a mutually acceptable amendment to this agreement be negotiated by the parties, it shall be reduced in writing and signed by the Board and the Association.
- (D) All communications to the Board from the Association and its representatives relative to this agreement or any procedures under this agreement shall be directed to the superintendent as secretary to the Board with copies to board members at the option of the Association. All communications to the Association from the Board and its representatives relative to this agreement or any procedures under this agreement shall be directed to the President of the Association.
- (E) In the event someone other than the local Association is selected to represent a teacher or the Association in any matter covered by this agreement, then the Association, if it has knowledge of such representation, shall notify the superintendent in writing as soon as possible as to such representation. In the event someone other than the administration is selected to represent the Board in any matter covered by this agreement, then the superintendent shall notify the Association in writing as soon as possible as to such representation.

- (F) Written policies of the Board relating to working conditions in effect on the date of this agreement shall not be changed without written notice to the Association. Nothing in this paragraph shall be construed as limiting the Board's right to make changes in its written policies nor to limit the Association's right to negotiate over the impact of any such changes on working conditions.

### **ARTICLE III - ASSOCIATION RIGHTS**

- (A) The Association and its representatives shall be permitted to use school buildings during non-school hours provided such use does not interfere with normal school district operations and subject to current Board policy.
- (B) A copy of new or revised policies will be made available to the Association president electronically on the official MSAD 6 website within ten (10) days of the adoption of such policies by the Board.

### **ARTICLE IV - RIGHTS OF BOARD**

Except as otherwise specifically provided in this agreement, or otherwise specifically agreed to in writing between the parties, the determination of educational policy, the operation and management of the schools and the control, supervision and direction of the teachers are vested exclusively in the Board. Nothing in this Article shall be construed as prohibiting the parties from meeting and consulting in accordance with 26 M.R.S.A. §965(1)(C).

### **ARTICLE V - TEACHER RIGHTS**

- (A) No teacher on continuing contract shall be dismissed or suffer non-renewal of contract without just cause. No teacher shall be disciplined, reprimanded, reduced in compensation, or demoted without just cause. Any such action asserted by the Board, or any agent, or representative thereof, shall be subject to the grievance procedure herein set forth before such action shall become final. Just cause does not apply to the non-reappointment of or decision to terminate individual single-year agreements, such as extracurricular, co-curricular, and coaching positions.
- (B) A suspended teacher shall be paid until the teacher receives in writing a reason or reasons for the suspension.
- (C) The Association shall be given prompt written notice of the written reprimand, discharge, demotion, or suspension of any employee; however, the failure to provide such notice shall not invalidate the discipline and shall not be subject to arbitration.
- (D) Whenever an employee is called before an administrator, the superintendent, or the Board to discuss a matter which could lead to discipline, the employee shall receive prior written notice of the need to meet. Notice may be provided by email. Prior written notice shall not be required in situations where the health or safety of staff or students is involved. The employee shall have the right to Association representation in any such meeting. If, during the course of a meeting, an administrator comes to believe that discipline could result, the administrator will inform the employee that he or she may have an Association representative.

- (E) Any employee discharged must be paid in full for all wages owed him or her by the Board on the next regular payday following the pay period in which the discharge occurs.

### **ARTICLE VI - PAY PLAN**

- (A) Teachers may elect to be paid their regular salary either in twenty-six (26) biweekly payments or on a biweekly basis over the length of the school year (normally 22 payments) provided that teachers electing to be paid over the course of the school year must notify the Business Office in writing on or before May 31 with respect to payments in the following school year. All teachers will arrange to have their salaries direct deposited to the teacher's designated banking institution.
- (B) Salaries shall be determined in accordance with the appendices attached hereto and made a part hereof.

### **ARTICLE VII - PAYROLL CHANGES**

Teachers may request payroll changes at any time during the year, provided that the request is submitted in writing to the Business Office at least two (2) weeks prior to its intended effective date. The Business Office will make reasonable accommodations for extenuating circumstances.

### **ARTICLE VIII - EXPERIENCE CREDIT**

- (A) Teachers employed by the district on the date of this agreement shall maintain the experience credit which had been granted as of such date and shall earn future experience credit in accordance with this policy.
- (B) After the date of this agreement, teachers shall be granted experience credit in this district, for salary purposes only, on the basis of one year credit for each year in which at least one hundred twenty (120) consecutive days of teaching or long term substituting has been performed.
- (C) In the rare instance that a qualified candidate with classroom teaching experience cannot be recruited to fill a vacancy and the administration wishes to place a candidate with or without classroom experience off scale:
1. The administration and the association will agree on placement on the salary scale.
  2. The employee may be placed on a step on the salary scale which exceeds the employee's teaching experience, but the employee shall not receive additional step increases until he or she has actually completed that number of years.

### **ARTICLE IX - PROFESSIONAL CREDITS AND ADVANCED DEGREES**

- (A) Teachers will be reimbursed up to 100% of the previous year's USM graduate rate for course work in an approved program leading to a master's degree or beyond in the teacher's content area or as otherwise approved by the Superintendent. The reimbursement rate for other pre-approved college and university courses will be up to \$250 per credit. The district will

reimburse teachers for nine (9) credits per school year. Reimbursement must be submitted within three (3) years of course completion. Prior written approval from the Superintendent is required in order to receive course reimbursement.

- (B) To receive reimbursement, the teacher must complete the course(s) with the grade of B or Passing in a pass/fail course. A transcript will be presented at the time a request for reimbursement is made.
- (C) Credit reimbursement will be made at the end of October, March, and June for credits received by the end of the previous month for which proper request for reimbursement has been made in accordance with paragraphs A and B above. The teacher must be employed in the district at the time such credits are earned and payment is made. If the teacher leaves the employ of the district within two (2) years after completion of the course, the reimbursement will be deducted from the teacher's last paycheck(s).
- (D) Teachers who are currently employed and enrolled in a master's program outside of their content area and are able to submit a copy of the acceptance letter from the university/college dated prior to the actual date of signing of this agreement will be reimbursed up to 100% of the previous year's USM graduate rate for all courses leading to the completion of the program within three (3) years of the signing of this agreement.

- (E) In-service training may precede or follow opening of school for students.
- (F) If a teacher anticipates cross movement on the salary scale, that teacher must notify the superintendent prior to February 1 that the teacher will be eligible for cross movement. No adjustments of salary will be made after October 1.
- (G) National Board Certification Stipend:

Upon obtaining "National Board Certification", the teacher shall be paid in his/her regular paycheck an additional salary stipend equal to half the dollar difference between the Bachelor's

and Master's salary column. This stipend shall be paid thereafter on an annual basis provided the teacher maintains this certification.

## **ARTICLE XI - BENEFITS**

- (A) All employee benefits shall be pro-rated based on an employee's full time equivalent (FTE) status.
- (B) Workers Compensation and Employer's Liability Insurance
  - 1. All teachers shall be covered under both plans at district expense provided teachers comply with posted regulations regarding the reporting of an accident or an injury.
- (C) District teachers are also eligible to participate in the following by payroll deductions at their own expense.
  - 1. Payroll deductions will be made for any mutually agreed upon disability insurer provided there are at least five (5) subscribers to the insurer.
  - 2. Group Life Insurance, Basic and Supplemental Plans Provided by MainePERS: Payroll deduction will be made for this insurance upon written request of the teacher and in compliance with MainePERS procedures.
  - 3. Direct deposits are required and will be made to any financial institution.
  - 4. The District will sponsor a tax sheltered 403(b) retirement plan (the "Plan") to which teachers may elect to contribute a portion of their salary on a pre-tax basis by providing the district with a properly executed salary deferral election form and a maximum exclusion allowance form signed by both the teacher and the representative, subject to the rules and limitations imposed under the Plan and by the IRS. The teachers may choose to invest their contributions among any of the approved investment choices under the district's 403(b) plan. In addition, a group of five or more teachers may recommend to the district in writing that the district add additional approved 403(b) investment providers. The investment provider must submit a service provider agreement as well as an information sharing agreement. The district, in its role as sponsor of the Plan, will maintain complete discretion on whether to add any such recommended 403(b) investment providers. The teachers will be responsible for any Plan fees imposed by the Plan's investment providers and service providers.
- (D) Health and Dental Insurance
  - 1. (a) Any employee currently participating in the MEA Benefits Trust health insurance plan and all new hires, may select either (1) MEA Benefits Trust Standard Plan, (2) MEA Benefits Trust Choice Plus Plan, or (3) MEA Benefits Trust Standard 500 Plan. The district will pay eighty percent (80%) of the Choice Plus Plan premium based on the participating teacher's eligibility and selected level of coverage for the duration of this contract. If

the employee elects the Standard Plan coverage the district will contribute (80%) of the Choice Plus Plan premium towards the cost of the Standard Plan. If the employee elects the Standard 500 Plan coverage, the district will contribute 100% of the Standard 500 premium for single subscriber and 80% of other coverage levels.

(b) The district will pay eighty-five percent (85%) of the MSMA Dental Insurance Trust Plan 2 (including Orthodontia) premium based on the participating teacher's eligibility and selected level of coverage.

**Note: For information related to the payment schedule for an annual rate increase over the summer months, please see Appendix D.**

2. Any medical health insurance plan purchased shall provide benefits equal to Blue Cross-Blue Shield UCR Major Medical (MEA Benefits Trust Standard Plan or MEA Benefits Trust Choice Plus Plan) as selected by the employee, and any dental insurance plan purchased shall provide benefits equal to MSMA Dental Insurance Trust Plan 2 (including Orthodontia).
  3. The Board agrees to implement a Section 125 Premium Conversion Plan and a Reimbursement Account Program to allow teachers' contributions toward insurance premiums, unreimbursed medical and/or dependent care expenses to be paid on a pre-tax basis through salary reduction. Teachers who elect to participate in these programs must comply with all plan requirements. Teachers must pay all costs above the district's contribution.
  4. When both husband and wife are teachers of the district, the district's contribution for medical health insurance and dental insurance shall be no more than the full two-person or family amounts, whichever may apply. Should either spouse be on an unpaid leave of absence, the cost of health and dental insurance would fall under the provision in Article 11 (D)(1). Unpaid leave as it relates to this article will mean that an employee is no longer receiving paychecks. Once the employee returns to work, the insurance provision provided in the article will be reinstated.
  5. Before any change in insurance carrier is made by the district, a joint Board-Association committee will be given an opportunity to discuss, investigate and comment upon the proposed carrier and plan being offered. However, the final decision whether to change carriers or not remains with the Board.
  6. During the term of this Agreement, either the Committee or the Association may reopen health insurance due to the implementation of the federal/state health insurance law.

Upon retirement, and collecting from the Maine Public Employees Retirement System, teachers shall receive forty-five dollars (\$45.00) per day for a maximum of up to fifty percent (50%) of their unused accumulated sick leave. The stipend will not be paid to individual teachers retiring before their normal retirement age.

## **ARTICLE XII - NON-TEACHING DUTIES**

If teachers are assigned to chaperone more than three (3) activities during a school year, the fourth and each subsequent activity, if the teacher's reporting time is after 5 p.m., will be compensated at the rate of twenty dollars (\$20.00) per activity if the function lasts for three (3) hours or more, and at the rate of ten dollars (\$10.00) per activity if the activity lasts less than three (3) hours.

## **ARTICLE XIII - TEACHING HOURS AND TEACHING LOAD**

- (A) All teachers will have uninterrupted professional planning time which may include a balance among individual, team, and curriculum planning except in extenuating circumstances. Teachers may volunteer to give up their professional planning time.

- (C) Teachers shall have a duty-free lunch period of at least twenty (20) minutes each full student day except in cases of emergency. Emergencies shall include, but not be limited to, the supervision of children when the person customarily supervising those children is absent. This article does not limit the assignment of teachers to lunch or recess duties.
- (D) Compensation for District Committee Work

The district will compensate teachers who serve on the Certification Steering Committee and the District Curriculum Committee one hundred and twenty-five (\$125.00) dollars per day for work performed on days when school is not in session. It will also compensate teachers when school is not in session at the above rate per day for voluntary work requested by administration and/or the superintendent in the areas of curriculum, training, and committee work.

The district will also compensate the members of each district-wide committee which meets outside of school hours at the rate of \$15.00 per meeting. The Joint Advisory Committee will develop the list of district-wide committees to which this compensation arrangement will apply, and it will be the responsibility of each committee secretary to keep minutes and attendance of the meeting and forward them to the Superintendent's secretary for record of payment.

- (E) The parties acknowledge the benefit of planning time and agree to meet through the Joint Advisory Committee process to support planning time for instructional staff.

4. Sick leave shall not be allowed for elective surgery and associated recuperative time.

Notification of suspected abuse shall be provided to the teacher in writing before initiation of any formal disciplinary action.
6. Nothing in this article shall prevent the superintendent from requiring an examination of a teacher by a physician selected by the superintendent from a list of three (3) names provided by the teacher from a list of physicians in Cumberland and York Counties for that specialty, which physician shall not be in the regular employ of either the district or the teacher. Such examination shall be limited to cases of prolonged or extraordinary illness and shall be at district expense and on district time.

The difference shall be charged on a pro rata basis to the teacher's accumulated sick leave and shall cease when the teacher's sick leave is exhausted. A teacher shall refund to the Board any payments received in excess of those permitted herein.

(B) Personal Business Leave

1. Subject to the following guidelines, personal business leaves will be granted to all employees for hardships or other pressing needs which require absence during scheduled work hours for the purpose of transacting or attending to personal or legal business or family matters. The following rules apply to such leave:

  - (b) Employees shall be required to submit to their immediate administrator a request for approval of personal business leave, which approval will not unreasonably be withheld. Each employee's request shall state the reason(s) for such leave. The personal business leave days will only be granted for religious, legal, business, household or family matters which cannot be conducted at times other than scheduled working hours. Application for these days will be made at least three (3) days in advance to allow the administrator to make necessary arrangements. The superintendent may waive the three (3) days' notice at his/her discretion.
  - (c) Requests for personal business leave will not be granted to extend vacations or holidays, if the leave will be used for recreational or vacation-like purposes, or if the application does not state the reason(s) for such leave.
  - (d) Unused personal business leave days will be converted to sick days, which may be accumulated to 150 days consistent with Article XIV (A)(1). However, in no event shall any employee be permitted to accumulate in excess of 150 sick days.

(C) Bereavement Leave

1. Upon prior notice, up to four (4) days leave without loss of pay or accumulated sick leave shall be allowed for a death in the immediate family. Immediate family shall mean spouse, children, step-children, parents, step-parents, siblings, parents-in-law, son-in-law, daughter-in-law, brothers-in-law, sisters-in-law, grandparents, grandchildren and anyone living in the teacher's household. A fifth day shall be allowed if travel of 400 miles or more one way is reasonably required. Bereavement leave days are not cumulative from year to year.
2. Upon receipt of a written request for additional bereavement leave, the superintendent or his/her designee may grant up to two (2) additional bereavement leave days per year, which will be deducted from the teacher's accumulative sick leave. If no sick leave is available and, if granted, any additional bereavement leave shall be without pay. Under the discretion of the superintendent or his/her designee, management may elect to grant said additional days for:
  - (a) immediate family as defined under Section C (1); or

(b) other relatives not covered under the definition of “immediate family;” or

(c) a close friend; or

(d) employees having executor responsibilities.

(D) Sabbatical Leave

1. Not more than three (3) teachers per year, having served seven (7) years in the district, may be approved for sabbatical leave at half the teachers’ present contract rate less extracurricular salary scale.
2. The district shall also pay for one-half (1/2) of the benefits.
3. Approved teachers shall sign an agreement obligating them to continue their employment for at least two (2) years following return from sabbatical leave and repay to the district pay and benefits received while on sabbatical leave should they terminate their employment short of two (2) years following their return.
4. The year of sabbatical leave shall not count as a year of experience.
5. Requests must be made in writing to the superintendent of schools no later than February 1 of the school year before the sabbatical. It is understood that granting of sabbatical leaves is at the discretion of the Board.
6. A teacher on sabbatical leave shall submit written quarterly reports to the superintendent. Upon return to the district, a final written report shall be submitted to the superintendent. When requested by the superintendent, a teacher returning from sabbatical also will make a brief oral presentation to the school board.

(E) Child Care Leave

Temporary unpaid leave for up to one (1) year may be granted to care for a newborn or a newly adopted child of preschool age. A request for child care leave must be made in writing to the superintendent at least sixty (60) days prior to commencement of the requested leave and shall require Board approval. The following conditions apply:

1. The Board may deny any leave that is not deemed to be in the best interest of MSAD 6 or if a suitable substitute cannot be found.
2. If approved, such leave shall be reasonably arranged with the superintendent so as to cause minimum disruption to the school system.
3. Only one (1) employee per family may be on child care leave at the same time.
4. Continuing contract teachers will be guaranteed the right of re-employment in the same or similar position, if available, and will retain all benefits to which he/she was entitled at

- the time such leave commenced. Probationary employees are not guaranteed employment or child care leave beyond the term of their probationary contract.
5. The employee may re-enter the system only at the beginning of the first, second, or third school trimester, unless otherwise approved by the Board. Such leave shall not extend into two school years.
  6. In the interest of ensuring that adequate time is allowed for finding a substitute or replacement, employees on child care leave shall notify the superintendent of their intentions to return to work at least six (6) weeks prior to the end of their approved child care leave period.
  7. An employee who fails to return to employment at the end of the leave period as specified herein or as otherwise approved by the Board shall forfeit all claims to a teaching position in MSAD 6 and be deemed to have resigned.
  8. It is understood that child care leave under this section shall run concurrently with any state or federal family medical leave for which the employee is eligible.
  9. Time spent on unpaid leaves of absence shall not count towards sabbatical leave eligibility, seniority, or credit on the salary scale.
  10. While on child care leave, a teacher may continue to participate in the medical and dental insurance programs provided by the district at his/her own expense.

(F) Other Leaves

1. Leave for professional purposes such as conferences, observation or visitations may be granted by the superintendent in consultation with the teacher's supervising principal. Such leave shall be granted on a needs and benefits basis as perceived by the superintendent and principal and will not automatically be limited in number. A decision made at the discretion of the superintendent under this subparagraph shall be final and non-grievable.
2. Time necessary for appearance in legal proceedings connected with employee-employer labor relations shall be granted with pay. Such leave shall include, but not be limited to grievance procedures, unfair labor practices, mediation, fact findings, arbitrations and similar labor procedures. Such leave shall be limited to the president and/or grievance chairperson, and/or one person designated by the president of the Association.

Both the Board and the Association will limit the calling of witnesses to those who are necessary for the particular case and limit those to a reasonable number.

3. Time necessary for jury duty shall be granted. Teachers shall suffer no loss or interruption of salary while on jury duty. Compensation, other than mileage, paid to the teacher for days that school is in session shall be turned over to the district as reimbursement.

4. Situations not covered by this agreement shall be handled at the discretion of the superintendent or board and all decisions are final.

**(G) Catastrophic Medical Emergency-Chronic Illness Leave Plan**

1. A catastrophic medical emergency-chronic illness leave plan ("CME-CI") is to be jointly administered by the Board and/or its designee and representatives of the Association. All decisions for CME-CI leaves made by the Board and Association representatives are final and non-grievable.
2. Each teacher who wishes to become a member of the plan shall convert one day from his/her sick leave each year to CME-CI. An employee may withdraw CME-CI leave from the pool subject to the following terms and conditions:
  - (a) The employee has indicated a desire to participate by converting a day of accumulated sick leave to CME-CI.
    - (1) Once an employee has signed for CME-CI, he/she will automatically continue from year to year as a member of the plan until written notice is given to the business office by June 30 requesting that his/her name be withdrawn from the plan.
    - (2) A form will be provided to each teacher for new enrollment or withdrawal, to be returned by the end of the school year in June.
    - (3) New teachers will receive the form and explanation with their contract. They must submit the form within two weeks of the signing and dating of this contract.
  - (b) The CME-CI member must exhaust all annual and accumulated sick leave prior to withdrawals from the CME-CI leave pool.
  - (c) The CME-CI member must be unable to return to suitable employment with the district because of a catastrophic medical emergency or a chronic illness.
  - (d) The employee must supply, in all cases, a physician's statement certifying his/her medical incapacitation and submit a form prepared by the Board and the Association to be completed by the physician which certifies that the incapacitation meets the definition and criteria of CME-CI.
3. CME-CI members using CME-CI leave from the plan will not have to replace these days except as a contributing member as indicated in #5 below.
4. Sick leave days converted to CME-CI leave may not be withdrawn if the member, at a later date, leaves the school system or wishes to withdraw membership.
5. A CME-CI member who uses the CME-CI leave plan must become a member the following year.

6. All applications for CME-CI leave must be submitted no later than the last teacher day of the school year. Each application must state that the employee seeking CME-CI leave consents to the release of the submitted medical information to the Board and Association representatives involved in making the eligibility determination.
7. Restrictions:
  - (a) Upon application and approval of the joint committee, a member may withdraw a maximum of forty-five (45) days from the pool, except that no CME-CI member may withdraw days from the pool in excess of the number produced by multiplying the number of years such member has been employed by the district times fourteen (14) when such resulting number is less than forty-five (45).
  - (b) Since the CME-CI leave is separate, more narrow in scope, and distinct from the sick leave benefits provided by statute and contract, the following definitions will prevail in the determination of granting or denying of leave under this section:
    - (1) Catastrophic Medical Emergency: A catastrophic medical emergency is one which is sudden and unforeseen, involves extraordinary or catastrophic injuries or illness, and requires immediate medical attention;
    - (2) Chronic Illness: A chronic illness is one in which bodily health impairment is constant and consistent and of long duration.
8. The number of days in the pool each year shall be the number of teachers who have converted a day of accumulated sick leave for that year.

Whenever, in any year, the total number of days of CME-CI leave in the pool has been depleted to ten (10), CME-CI members will be given the option of contributing one additional day. CME-CI leave can only be applied to an absence occurring in the same year the sick leave days were converted. Unused CME-CI leave days at the end of the school year are canceled and may not be carried forward from one year to the next.

## **ARTICLE XV - PERSONNEL FILES**

- (A) Upon one (1) business day request, a teacher shall have the right to review his or her personnel file and receive one (1) copy at the Board's expense. A teacher shall be entitled to have one (1) representative of the Association accompany him or her during such review.
- (B) A teacher shall have an opportunity to review and rebut any material placed in his/her personnel file derogatory to his/her conduct, service, character, or personality. All such material entered in a teacher's personnel file shall be dated when it enters the file and copied to the employee. Except in cases of incapacitation, it shall be the responsibility of the teacher to read, sign, and return a copy of the material to the district central office within five (5) days of his/her receipt of a copy of the material. If used in the teacher's evaluation, the complaint shall be reduced to writing and promptly called to the attention of the teacher. The teacher shall be given the opportunity to respond to and/or rebut such complaint within five (5) days of written notification of such complaint. In the event disciplinary action is taken, the source or sources of the complaints shall be identified. - (C) After a review of an improvement plan by the supervising administrator and upon recommendation of the superintendent to the Board, the superintendent shall provide written notice to the teacher of such recommendation, on or before April 1 of the school year preceding the year in which the salary increase or increment would take effect.
- (D) Within ten (10) days following the date of such notification, the teacher receiving the notice may request written reasons for the superintendent's recommendation and a meeting with the Board. This provision does not authorize a teacher to return late to his or her duties after expiration of authorized leave or a period of time when school is not in session without possibly incurring penalties.

### **ARTICLE XIX - REDUCTION IN FORCE**

- (A) In the event it becomes necessary for the Board to eliminate a teaching position for any reason, the following procedures shall be followed:

High school teachers will be grouped by academic department. Specialists shall be grouped K-12, certificates permitting, and then divided according to their particular specialties.
  2. The Board, in its sole discretion, shall determine how many positions within each group must be eliminated.
  3. The Board shall then consider only the following criteria in determining which teacher's contract to terminate within each group:

If the teacher does not accept the position within ten (10) calendar days after receipt of the notice, the teacher shall waive his or her right to the next person subject to recall and be eligible for the next available position. Refusal of any offer of less than full-time positions shall not affect the teacher's right to notice.

## **APPENDIX B** **STIPEND POSITIONS (GENERAL)**

Any stipend position in MSAD 6 will be brought to the School Board for approval and funding. Co/Extracurricular stipend positions must be added to the Extracurricular Assignment List attached to the Collective Bargaining Agreement between the MSAD 6 Board of Directors and SVTA upon approval of the School Board. The stipend committee shall consist of two (2) representatives from the Board's Negotiations Committee and two (2) representatives from SVTA. During the year prior to negotiations, a full review of co/extracurricular stipend positions will be completed.

Anyone wishing to apply for any of these positions must obtain an application form from their Principal. If individuals would like to co-share one of these positions, please state on the application for consideration.

Regarding whether particular activities or sports will be offered, both parties (SVTA and MSAD 6 Board of Directors) agree that the number of participants in each activity should be based on a three-year average for participants. Review will be done annually by the athletic/activities directors and the supervising principals at the appropriate schools. The Board may, at its discretion, suspend an activity or sport due to lack of participation.

In this Appendix, "base" refers to the annual salary amount in Appendix A for less than one (1) year of experience for a Bachelor degree, and "appropriate base" refers to the amount for less than one (1) year of experience at the educational level attained.

It is the intent of the parties that this Appendix B shall have a reasonable degree of flexibility and that certain adjustments can be made in accordance with this paragraph in order to meet the needs of students from year to year. In the event a stipend position is not filled and the funds associated with that position are not being used, the Negotiations Committee chairperson and the SVTA president can request that the superintendent/business manager shift those unused funds to another existing stipend line to enable the district to employ an additional coach that may be needed to supervise/instruct students. The request to shift unused funds will be submitted to the superintendent by the athletic/activities directors. The superintendent will meet with the Negotiations Committee Chairperson and the SVTA President for approval. Any adjustments/shifts made in accordance with this paragraph shall not operate to deprive any student of an equal opportunity to participate in an educational program or activity (including athletics) in violation of Title IX, shall not increase the total cost of Appendix B, shall not be used to increase any stipend figure listed below, and shall endure for that contract year only (i.e., it is understood adjustments/shifts made in one year are not precedent setting).

In the event more significant changes are necessary (increases or decreases to stipend amounts, changes that are anticipated to endure for longer than a single contract year, eliminating stipend positions), such changes will be discussed by the stipend committee and must be ratified by the Board and the Association. As set forth above, the creation of new stipend positions requires Board approval.
